

Welcome

Thank you for expressing an interest in volunteering to help with the Club.

Volunteers are the lifeblood of the Club and without them there would be no Telford Aqua SC and many of the past, present and future members would never have become involved in a swimming club and develop their skills and enjoyment in the sport. But making a difference is not the only reason for giving up your time.

You may be seeking greater social responsibility from your life and to enrich your social network. Volunteering is not all about giving and Telford Aqua SC will provide you with opportunities to learn and develop new skills.

Volunteering is flexible and you can offer as much time as you are able; as a Club we all appreciate the demands our lives can make. Our time is one of the most precious items we can give, but by doing so it can result in being one of the most rewarding experiences. The more you get involved the greater the rewards.

This pack has been put together to provide you with a flavour of what the Club is about, our expectations and hopefully enough information to capture your imagination to become involved.

Feel free at anytime to contact any one of the Committee Members or Coaching staff – we are happy to help.

We hope you decide to join the team, enjoy the experience and make a difference to the lives of some great kids.

Thank you

The Committee of Telford Aqua SC
